

# MUSIC TEACHING POSITION AVAILABLE

## At Maungawhau Primary School

Ellerton Rd, Mt Eden  
Starting February, 2012

Hi there!

I run a very successful music teaching studio situated at Maungawhau Primary School in Mt Eden, central Auckland, where I teach Piano. There is definite room for growth of teaching days if you desire (I have a waiting list of around 10 students) but currently just do a full day on Monday. Last year I was teaching on Tuesdays and Thursdays, so there can be flexibility to move the day of teaching to suit you.

I am looking for a reputable piano teacher who loves teaching kids (most of my pupils are under the age of 12 and most are beginner pupils ), who are from beginner to around Grade 3 level.

The music studio stands by itself from the rest of the school and is dedicated to music teaching. There is a working piano in the studio available for use and the studio comes equipped with a small kitchen for tea and coffee throughout the day. The school reception staff are very supportive and will make sure that your details are circulated on their website - [maungawhau.school.nz](http://maungawhau.school.nz) - to allow for picking up new students. You also have free use of their school hall for any concerts you may wish to put on (as I do from time to time).

I will be charging \$50 per music student, in regards to selling this studio.

Please contact me to submit your interest.

Warm regards,

Stephanie Strong A.T.C.L., A.I.R.M.T., NZSI
